

Chicago Kids Consignment Sales Volunteer Agreement

Thank you for volunteering with Chicago Kids Consignment. These guidelines have been created in an effort to maintain a high quality sale.

✓ In an effort to ensure the quality of this sale by retaining a sufficient number of volunteers, I agree to fulfill my pledged obligation to work my assigned three hour shift. In the event I cannot fulfill my obligation or find a suitable replacement on my behalf, Chicago Kids Consignment will deduct \$30 of my consignor check if I am a consignor volunteer and I will be prohibited from volunteering and the benefits of volunteering for the next year. If I am a non-consigning volunteer I will be prohibited from any future opportunities to volunteer with Chicago Consignment Sales.

✓ I understand that I must be on time and fulfill my entire shift in order to reap the benefits of the volunteer agreement.

✓ I understand that I should not bring children to my scheduled volunteer shift.

✓ I understand that the deadline for cancelling a scheduled work shift is the Friday before the sale begins. Any cancellations made after that day will be subject to the penalties stated in this agreement. Some circumstances will be considered (such as the death of a family member).
